

SettingupApplicationEnvironmentC reateIBMCloudAccount

Step1. Navigateto ibm.com/academic and register with your smartinternzmail

The image shows two screenshots of a web browser. The top screenshot is the IBM SkillsBuild Software Downloads page. It features a large header image of a group of people sitting on a curved brick wall, looking at laptops. Below the image, the text reads: "Harness the power of IBM. Get easy no-charge access to the tools you need to develop the next great thing. Enjoy powerful technical and strategic resources from IBM. Jump right in with access to powerful services and the most prominent open-source computer technologies, or take advantage of hands-on resources that will teach you about data science, artificial intelligence, security and more." At the bottom of this section are two buttons: "Already registered? Log in" and "Register now".

The bottom screenshot is the registration form on the page academic.ibm.com/a2mt/email-auth. It has a header image of two young women looking at a laptop. The main heading is "Enter your academic institution issued email to begin". Below this, a paragraph states: "Only the students and faculty of participating academic institutions are eligible to access this website. Please enter your academic institution issued email below to register." There is a text input field labeled "Your academic institution issued email" containing the text "811319104025@smartinternz.com". Below the input field is a link: "Find answers in our frequently asked questions". At the bottom is a blue "Submit" button. A "Cookie Preferences" button is visible in the bottom right corner of the browser window.

The screenshot shows the IBM account registration page. On the left, there's a section titled "Create your IBM account" with a subtext "Access to trials, demos, starter kits, services and APIs" and a colorful abstract graphic. On the right, the main form is titled "Sign up for an IBMid". It includes a link for existing users, a "Sign in with LinkedIn" button, and a form for account information. The form fields are: E-mail (811319104025@smartinternz.com), First name (sundar), Last name (sk), Password (masked with dots), Country or region of residence (India), and Company (JJ college of engineering and technology). A "Next" button is at the bottom of the form.

Step2: Now go to cloud.ibm.com and login with your registered mail id along with coupon code obtained from ibm.com/academic

The screenshot shows the IBM login page. It features the IBM logo at the top left. The main heading is "Log in to IBM". Below it, there's a form for login. The form includes a field for "IBMid" (811319104025@smartinternz.com) and a "Remember me" checkbox which is checked. A blue "Continue" button is below the form. There are links for "Forgot IBMid?", "Don't have an account? Create an IBMid", and "Need help? Contact the IBMid help desk". At the bottom, there's a footer with links for "Contact", "Privacy", "Terms of use", "Accessibility", and "Cookie preferences". The page is powered by IBM Security Verify.
